Na na na na na na

God has given us the bible,
starting back in Genesis.
All the way through Revelation
we see who and what He is
It is sometimes not that easy
to understand it right away
but it shows His love for us,
so let's all say:

*He is great and amazing
good to everyone
shares His love from the rising
to the setting of the sun.
And we do want to know Him,
more and more and more.
And we praise Him forever
cause He is the highest Lord.*

Na na na na na na

God has shown his grace and mercy
throughout all of history.
Step by step we can discover:
God is good, so perfectly.
He will do what He has promised,
He is with us, night and day .
There is no one like our God,
so let's all say:

He is great and amazing ...
