*Lord, our Lord,
How mighty is your name
in all the earth.
Lord, our Lord,
How mighty is your name
in all the universe.*

I see the heavens,
the moon and the stars,
the works of your hands
show us how great you are.
All of creation
and all living things,
You gave everything to us You gave all of it to us,
so let us shout and sing!

Lord, who am I
that You're thinking of me?
You always love me
and know what I need.
You care for me
I am not falling short.
God, You are the greatest, yes,
I thank you so much, Lord!
